Dear Sir:

In response to the final Office Action of October 3, 2007, applicants submitted a response within two months from the issuance of this final Office Action. *The respective rules regarding extensions of time under 37 CFR §1.136(a) thus applied.*

The undersigned received an advisory action on January 24, 2008, that is after the three months shortened statutory period to reply. Applicants filed a Notice of appeal within two months of the advisory action with a two months extension of time, namely on March 24, 2008.

The Office charged 295.00 (fee code 2253) for an additional month of extension fee to the undersign's deposit account.

As the Notice of Appeal was clearly filed within the two months period of the receipt of the advisory action, applicants respectfully requests a refund of the **\$295.00** charged to undersign's deposit account **50-3135** is refinded to the same account.

As the Office pointed out in the final Office Action, the following provisions of MPEP §706.07 applied (copied from MPEP and reproduced in final Office Action):

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in **37 CFR 1.136(a)**.

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to **37 CFR 1.136(a)** will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.

A prompt refund is respectfully requested.

Respectfully submitted,

By: /Joyce v. Natzmer/
